THE FUTURE OF EFFICIENCY

Unequaled Comfort in a Battery Powered Backpack Vacuum

GoFree™ PRO

BETTER BALANCE
move more confidently and comfortably with our lightest cordless yet

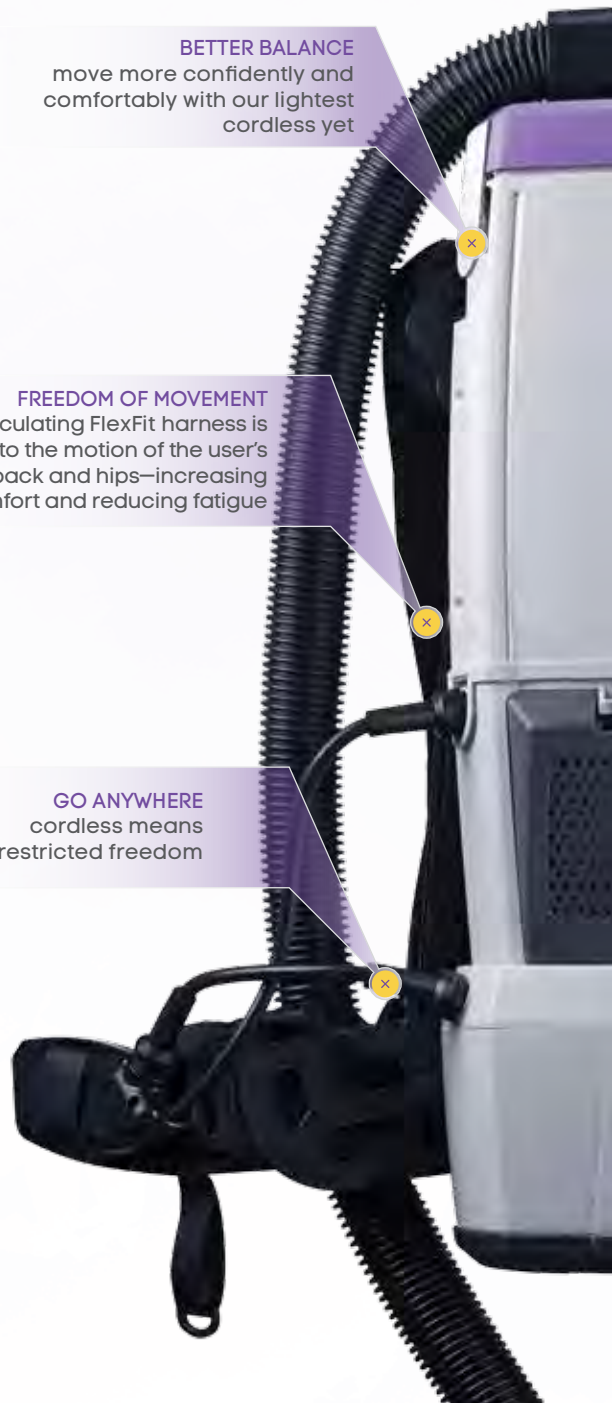

FREEDOM OF MOVEMENT
articulating FlexFit harness is responsive to the motion of the user's shoulders, back and hips—increasing comfort and reducing fatigue

GO ANYWHERE
cordless means unrestricted freedom

THE MOVEMENT IS HERE

You've never cleaned like this before.

Working without restrictions means going wherever you need to go to get the job done. Now, ProTeam adds comfort to cordless in our most powerful battery-powered backpack vacuum ever. We know that when cleaning pros feel better physically, they're more productive. The new triangular shape combined with our innovative articulating FlexFit™ harness has resulted in a vacuum that feels more like a part of your body.

EFFICIENCY IS HERE

Powered Backpack Vacuum

LONGER-LASTING BATTERY PERFORMANCE
lithium polymer battery and control circuit for state-of-the-art performance

NOTICEABLY QUIETER
only 60 dBA

EASY-READ CHARGE STATUS
a lighted display allows you to see charge levels on-the-go

REDUCED EMISSIONS
easy access post-motor HEPA filter captures and contains microscopic particulates and carbon motor dust

FASTER CHARGES
battery reaches optimum charge in just 2.5-hours so you can get up and GoFree again and again

55-MINUTES CONTINUOUS RUNTIME
the ultimate efficiency solution when you've got to be smart and nimble
